Greater Shepparton City Council Community Plan Action Plans 2013

Introduction

A Community Plan is a written document that identifies a community's vision for the future and the priorities and actions identified to achieve this vision.

Greater Shepparton City Council has endorsed ten Community Plan's, the eleventh, Congupna in currently in progress and due to be completed by December 2013. Community Plans are within the following townships:

- Dookie
- Katandra West
- Merrigum
- Mooroopna
- Murchison
- Seven's Creek
- Tallygaroopna
- Tatura
- Toolamba
- Undera
- Congupna – Currently in draft format

Council is committed to working in partnership with the small town communities to implement the Community Planning program.

Council recognises that it is important to ensure that the Community Plan is regularly reviewed so that the priorities and actions are relevant and up to date. As such, Steering Committees will review Action Plans annually.

Over August and September 2013, Community Plan Steering Committees and Council staff undertook a community consultation process to review each Community Plan to ensure priorities are relevant. From the information gathered from the community, the Steering Committees have updated their associated Actions Plans and have highlighted priorities that they will concentrate on over the next year.

The attached document is a compilation of the Action Plan's with priorities identified of each small town Community Plan.

DOOKIE Action Plan 2013/2014
