Support your child's development through everyday play with

# DAY BY DAY

Education and Training

Save the Children

**DAY BY DAY: LEARNING TOGETHER** is a fun and interactive app that gives you everyday activities that can help your child learn and grow. It uses proven techniques based on decades of research to give your child a head start.

As you complete activities and as your child grows older, you will unlock new content in the app.

**DAY BY DAY IS FREE TO DOWNLOAD ON SMART PHONES AND TABLETS.**

Proudly developed by Save the Children.

Perfect for parents of children from birth to 3 years.
