

Hours of Care

Family Day Care hours are flexible and can be matched to family needs.

Types of care include:

- Full time care
- Part time care
- Casual care
- Care for shift workers
- Before / after school care
- School holiday care
- Weekend care and overnight care
- 24 hour care

Educators may transport children to or from school or kindergarten if required.

The cost of care

Family Day care is able to offer Child Care Benefit (CCB) and Child Care Rebate (CCR) to eligible families.

Charges vary accordingly to the type of care, the hours of care and any meals, snack or travel provided.

What is Family Day Care?

The Family Day Care service is a network of registered educators who provide quality education and care for children from birth through to the end of primary school in the educator's home.

The educators are carefully recruited, monitored and supported by a professional coordination unit.

What are the advantages of Family Day Care for Children?

- Children are offered individualised care in small groups of up to 7 children.
- Siblings remain together in care.
- Children are educated and cared for in a safe, comfortable, home environment.
- Children are provided with experiences to suit their individual needs.

The Family Day Care Coordination Unit

The Family Day Care coordination unit is staffed by experienced and qualified professionals who support the provision of quality early childhood education and care.

- Offer families and guardians an appropriate educator for their child/children.
- Recruit, train and support educators.
- Supervise and resource the educators and the children in their care.
- Monitor safety in the care environment.
- Ensure educators are up to date with current practices and trends in early childhood education and care.
- Administer appropriate government fee subsidies to eligible families.

Family Day Care Educators

Educators are recruited and approved using strict selection criteria including interviews, reference checks, criminal record, working with children checks and home safety checks.

Educator must hold a Level 2 first Aid, Anaphylaxis and Asthma Certificate, appropriate insurance and maintain a safe and hygienic environment at all times.
