If you are a not-for-profit organisation, you can still make an application by using an auspice. An auspice is an organisation that meets our eligibility criteria and agrees to support your application.

If you're successful, the auspice receives the grant money on your behalf so you can undertake the project work.

Insurance

Applicants must have Public Liability Insurance with a minimum amount of \$20 million. The Certificate of Currency for this insurance will be required as part of the application process.

Permits and Approvals

Be aware that some activities may require permits and approvals.

These processes are separate to the grant application process and require additional time and budget in the project plan. You do not need to secure permits or approvals before applying for the grant, however obtaining these approvals will be a condition of the funding.

You must also be able to demonstrate that you are aware of the necessary permits and approvals in your application.

What if my activity does not proceed?

If you are successful in obtaining a grant and your activity does not proceed, you must contact the Community Wellbeing Department at Greater Shepparton City Council in a timely manner to discuss the circumstances of the activity not proceeding, and organise returning the grant funds provided.

Failure to notify Greater Shepparton City Council of your activity not proceeding will deem future applications for any grants available ineligible.
