Key Directions in this Strategy

The Key Directions of the Community Safety Strategy have been developed based on those matters which have been deemed to be of the highest priority within Greater Shepparton. These have been developed taking into account community feedback and perception as well as relevant local statistics. These Key Directions are as follows;

- Key Direction 1 – Safer Places and Spaces
- Key Direction 2 – Alcohol and Other Drugs
- Key Direction 3 – Inclusive Communities
- Key Direction 4 – Road Safety

Deliverables within these Key Directions are outlined in specific Action Plans contained within this strategy.

Timeframe for delivery of initiatives

Each community safety initiative identified in an Action Plan, has been allocated a category timeframe for delivery over the term of this Strategy. The timeframes associated with each category are identified in the below table.

Category	Timeframe
1	16 December 2014 to 15 December 2015
2	16 December 2015 to 15 December 2016
3	16 December 2016 to 15 December 2017
Ongoing	16 December 2014 to 15 December 2017

Year 2 Actions

16 December 2015 to 15 December 2016
