Small Town Festive Decoration Grant

Funding Guidelines 2019

Funding up to \$2000

IMPORTANT – Changes to the Small Town Festive Decoration Grant

Council has acknowledged that the timing of the **Small Town Festive Decoration Grant** has not been ideal in the past with funds not confirmed until October each year. The Small Town Festive Decoration Grant for Christmas 2019 will open **Wednesday 2 January 2019** and close on **Monday 4 March 2019**. Recommendations will go to the **May Council Meeting** with payments being made before the **end of June 2019**. The change to the time lines will enable community organisations to order decorations from Christmas suppliers or engage men's sheds or other community groups to prepare decorations in time for Christmas 2019.

Greater Shepparton City Council is pleased to offer the Small Town Festive Decoration Grant program for small towns and localities. This grant enables local community organisations to purchase and install festive decorations such as lighting, Christmas trees, feature decorations, signage and banners.

The funding is available to a population centre in Greater Shepparton with less than 10,000 people. This includes the following small towns; however other localities may also apply.

- Congupna
- Katandra West
- Mooroopna
- Tallygaroopna
- Toolamba
- Dookie
- Merrigum
- Murchison
- Tatura
- Undera

The objective of the Small Town Festive Decoration funding program is to provide small towns and localities the opportunity to decorate their main street and/or public space to celebrate the festive season.

What can be funded?

- Purchase and installation of outdoor festive decorations such as lighting, Christmas trees, feature decorations, signage and banners.
- Installations that will be located outdoors in public areas, such as main streets, and/or iconic, high visibility areas in each town.
- Priority given to the purchase of decorations that can be used for multiple years.
- Installation costs.

Funded projects must be able to demonstrate community support, have a clear scope on what will be delivered and address safety and risk issues in the installation of decorations. A limit of \$2,000 applies to each grant from each area. Only one grant application per area/township will be accepted.

See Greater Shepparton City Council website for information on how to apply.
