The Minister for Planning did not determine to authorise the preparation of amendment C224gshe within 10 business days.

You may prepare the amendment as specified in the application.

The amendment must be submitted to the Minister for approval.

The failure of the Minister for Planning to determine the authorisation to prepare the amendment is not an indication of whether or not the amendment will ultimately be supported.

Please note that Ministerial Direction No.15 sets times for completing steps in the planning scheme amendment process. This includes council:

- Giving notice of the amendment within 40 business days of receiving authorisation; and
- Before notice of the amendment is given, setting Directions Hearing and Panel Hearing dates with the agreement of Planning Panels Victoria. These dates should be included in the Explanatory Report (Practice Note 77: Pre-setting panel hearing dates provides information about this step).

The Direction also sets out times for subsequent steps of the process following exhibition of the amendment.

The Minister may grant an exemption from requirements of this Direction. Each exemption request will be considered on its merits. Circumstances in which an exemption may be appropriate are outlined in Advisory Note 48: Ministerial Direction No.15 - the planning scheme amendment process.

In accordance with sections 17(3) and (4) of the Act the amendment must be submitted to the Minister at least 10 business days before council first gives notice of the amendment.
