

**GREATER SHEPPARTON TOWN ENTRY SIGNS**

Details of confirmation of your billboard request are provided in the accompanying correspondence. Failure to utilise the allocated position and adhere to the specified timeframes may result in a fee which Greater Shepparton City Council reserves the right to recover.

Billboards must be of solid material, preferably corflute and be of a professional standard.

**Locations of Billboards**

**Shepparton**

- Numurkah Road – between Shelby Court and Hawkins Street on the eastern side (in front of IGA Supermarket)
- Wyndham Street – between Guthrie and Longstaff Streets on the western side (just past McDonald’s)
- Benalla Road – between Zurcas Lane and Mitchell Street on the southern side (front of The Good Guys)
- Monash Park – the High Street exit from Mooroopna on the north/west side

**Size**

1800mm wide x 890 high

**Instructions**

You will need a screw driver only, please do not use a cordless drill as this only strips the screw for the next person.

Top (1 & 2) – remove the screws securing the bottom of the frame. Slide the billboard upwards into position. Replace the bottom of the frame and the screws.

Bottom (3 & 4) – remove the screws securing the right hand frame. Slide the billboard to the left. Replace the right hand frame and the screws.
