

IMPORTANT INFORMATION TO THE OCCUPIER

113 km LONG COURSE TRIATHLON

Sunday, 12 November, 6 am start

Following on from the success and positive feedback from the 2015 and 2016 race, Challenge Shepparton will once again swim 1.9km in the Victoria Park Lake, ride two fast and flat laps of the 45km bike course from Shepparton, across the causeway through Mooroopna, out Toolamba Road, to the West end of Toolamba, Old Toolamba, then back to Shepparton. The run leg is three laps of a lake, river and bush running course to the final 21.1 kms.

Shepparton is renowned as the place to race long distance triathlon in November. And in its 19th year Shepparton's triathlon,

Challenge Shepparton is once again presented by McPherson Media Group, Greater Shepparton City Council and Elite Energy.

Challenge Shepparton brings \$3.5 million economic benefit to the region and financially supports numerous sporting and community groups.

All residents, community groups and businesses are encouraged to embrace this important event to ensure its ongoing success as a unique event on the national triathlon calendar.

Challenge Shepparton Triathlon is a major sporting event for Shepparton and one that the McPherson Media Group and Greater Shepparton City Council proudly present.

It is essential that the event is conducted in a safe manner and therefore, Victoria Police, Vic Roads, McPherson Media Group, Elite Energy and the Greater Shepparton City Council have produced and approved a Traffic Management Plan which will be implemented for this event.

FAST FACTS

- 1.9km swim, 90km ride, 21.1 km run
